

Plan Vivo

Carbon management and rural livelihoods

This is to certify that the **N'hambita Community Carbon** project, located in Mozambique, and coordinated by Envirotrade, has been registered as a Plan Vivo project.

Registration date: 1st January 2007 | Project ID: PV_2007_003

Signed on behalf of
the Plan Vivo Foundation:

Alexa Morrison,
Governance Manager

The Plan Vivo Foundation registers and reviews projects against the Plan Vivo Standard. Continued Plan Vivo registration is conditional upon the annual submission and acceptance of project reports by the Plan Vivo Foundation, and continued third-party verification as required in the Plan Vivo Standard.

To view the current registration status of a project, visit the Plan vivo website or contact the Foundation (info@planvivofoundation.org).

The Plan Vivo Foundation is a charity registered in Scotland (charity number SC040151).
